# GET READY TO TEE OFF FOR A GREAT CAUSE!

## YOU'RE INVITED TO JOIN US AT THE OSLER OPEN: ETOBICOKE INVITATIONAL ON SEPTEMBER 21, 2026

Etobicoke General Hospital cares for a rapidly growing and incredibly diverse community. Home to more than 1.3 million people, the region served by Osler faces some of the highest rates of serious illness in Ontario—including heart disease, kidney disease, diabetes, and a projected cancer rate affecting one in two people over the next 20 years.

Funds raised through this year's *Osler Open: Etobicoke Invitational* will help ensure Etobicoke General has the equipment and tools it needs to care for our community—today and for generations to come.

Golfers will enjoy 18 holes at Islington Golf Club including on-course experiences and contests, and post-game hospitality—ensuring a memorable day from start to finish. Join us for great golf, great company, and a meaningful opportunity to support transformative health care in Etobicoke.
